13th June 2019

Dear Parents / Carers,

Year 5 Stock Market Challenge Day York University Friday 21st June

Our Year 5 children have the fantastic opportunity to take part in the Stock Market Challenge Day hosted by York University on Friday 21st June. This event is being organised by Woldgate School who will provide our transport to and from the event along with other local primary schools. The children will leave school at 9.15am and return to school by the end of the school day.

Working in teams, the children will be using their numeracy, business and enterprise skills to research businesses as well as buy and sell shares and react to news and business events in a simulation of the stock market. The day will also include a tour of a variety of York University departments.

In order for your child to attend, **please complete and return the slip below by Wednesday 19th June 2019.** Although some refreshments will be available during the event we ask that all children **bring a packed lunch and at least two drinks.** Children should be in school uniform and also have a waterproof coat.

This will be a challenging and exciting day for the children and an opportunity for them to learn about the world of business. Please be aware that both Woldgate School and York University will be taking photographs on the day.

Yours sincerely,

Mr A Reppold
Headteacher
