

Join us for a day of insight, discussion and practical advice that will help you change the lives of children with autism. Meet our Applied Behavioural Analysis (ABA) specialists in [London](#) or [Leeds](#) to understand more about **scientifically proven interventions** that have helped thousands of children achieve their **best outcomes in IQ, adaptive skills and emotional functioning** over the past 40 years.

**Book your place** by clicking on a link below:

**Sat 8 June** - [Treatment That Changes Lives](#) - London

**Mon 10 June** - [Treatment That Changes Lives](#) - Leeds

**What to expect from the day:**

- Learn from six ABA experts dedicated to improving the lives of autistic children
- Understand the recent advances in ABA research
- Find out what support is available
- Network with your peers

**The event is suitable for:**

- Teachers and special educational needs specialists
- Parents and carers of autistic children
- Educational and clinical psychologists
- Speech and language therapists and pathologists
- BCBA's

**About Us**

Autism Partnership UK was established in 2000 to provide a comprehensive service to families and professionals caring for individuals with Autism Spectrum Disorders throughout the UK and the rest of the world. Our method is progressive Applied Behaviour Analysis (ABA) based on an established and systematic research-based strategy, which has been proven scientifically to be the most effective intervention for Autism Spectrum Disorder.
