

Representing the views and experiences of families using SEND services in the East Riding
COFFEE MORNING DROP IN

We are aware that many families across the East Riding of Yorkshire are struggling to get the correct services in place for their children. EYPCF have been actively feeding these concerns back to the Local Authority for some time. As a result of this we are planning coffee morning drop in events to reach out to those families who are experiencing difficulties at the moment.

The first event will be held at :

Bridlington Business Centre
Enterprise Way
Bridlington
Thursday 11/1/18 from 10am to 1pm

If you would like to come along to this event, please contact Karen on email admin@eypcf.co.uk , or ring 07813 676941. You can request a private one to one session with an experienced EYPCF committee member to discuss your own personal case. Anyone in a situation where deadlines are being missed or are waiting contact from the SEND is invited to come along.

We will also explain the new restructuring arrangements the SEN team are introducing in January 2018.

East Yorkshire Parent Carer Forum (EYPCF) is for the parents and carers of children and young people (0-25years) who have any special educational needs or disabilities (SEND) and who live in East Yorkshire

We are part of a national network and our aim is to represent the views of parents and to improve local services for families who care for children and young people with SEND

We are an independent organisation and we believe that by working together we have more strength to raise awareness of our children's needs
