

Short Breaks Consultation Thursday 19/4/18

Please can you pass this onto parents and carers within your setting. If you would also like to attend you are most welcome.

Short break services include receiving overnight short breaks, direct payments, personal budgets or a Freedom Activity Support Payment. Would you like the chance to influence the designing of future short break provision?

East Riding of Yorkshire Council are working in coproduction with the East Yorkshire Parent Carer Forum to run a focus group with parents and carers to find out what they would like from a short break, what their idea of a short break is and what barriers there are when accessing short break provision.

If you're interested please book your place by the Monday 16th April. If you are struggling with transport, please let us know, as we may be able to help with travel and childcare costs.

If you're unable to make this date but would like to take part please email to let us know. We would love to hear from you.
