

Dear Parents/Carers,

Thank you for your patience and cooperation with your child's Home Learning.

Once again, please follow the links below directing your child to their Home Learning for Wednesday 6th January 2021.

As the teachers were in school on Tuesday with our key worker children, there was little time spare for uploading lessons onto our learning platform. However, from Thursday 7th January 2021, all lessons will be accessible via the learning platform as usual. There will also be a suggested timetable for each year group created by your child's class teacher outlining the 4 lessons they would like your child to complete each day. Please continue to support your child with daily reading and times table practice.

In the meantime, a timetable for Wednesday 6th January 2021 has been detailed below for each year group to complete a Literacy, Maths and a Music lesson using the resources on the Oak National Academy website. Click on the links for access to each subject for your child's year group where you will be directed to a video of the lesson with instructions on the tasks to complete. Before watching the video, your child will need to be equipped with paper, a pen/pencil and a ruler. The suggested daily timetable also includes time for reading a book and practising times tables on TT Rockstars.

Year 3

9:00 – 10:15 Maths: Recalling the 4 times tables.

[Recalling the 4 times table \(thenational.academy\)](#)

10:45 – 12:00 Literacy: To investigate suffixes: -ly suffix.

[To investigate suffixes: -ly suffix \(thenational.academy\)](#)

13:00 – 14:15 Music: Understanding pulse and rhythm.

[Understanding pulse and rhythm \(thenational.academy\)](#)

14:30 – 14:45 Reading Book

14:45 – 15:00 TT Rockstars

Year 4

9:00 – 10:15 Maths: Investigating Multiplication Patterns.

[Investigating multiplication patterns \(thenational.academy\)](#)

10:45 – 12:00 Literacy: To investigate suffixes: -ous.

[To investigate suffixes: -ous \(thenational.academy\)](#)

13:00 – 14:15 Music: Understanding rhythm and pulse.

[Understanding rhythm and pulse \(thenational.academy\)](#)
